## REGISTRATION – MIXED AND JUNIOR MEN

All players must register in their correct age group (the age they turn in this calendar year). Requests to play in a higher age group will be considered, but is entirely at the discretion of the club and will depend on age-group numbers, team balance, and the player's grading performance.

Girls can play in mixed teams until U17s.

Any player NOT registered and paid prior to their grading sessions (see dates below), will not be able to participate in grading due to lack of insurance cover.

The government's *Active Kids* program offers a registration rebate of \$100 per child, per year. There is detailed information about how to claim the rebate for the 2019 Winter football season on our website [www.glenhavenfc.com](http://www.glenhavenfc.com)

## REGISTRATION – SENIOR MEN

Returning All Age, O35 and O45 teams need to send the registrar a list of player names and ensure all players are **registered and paid by the end of February**. The association requires us to submit team nominations at the end of February, and there are penalties for late submission or withdrawal of teams. The Club WILL NOT nominate your team unless you have a minimum of 10 players registered and paid.

New All Age, O35 or O45 players who are not joining a specific team should contact the registrar at [registrar@glenhavenfc.com](mailto:registrar@glenhavenfc.com) for assistance in finding a suitable team.

## REGISTRATION – GIRLS AND SENIOR WOMEN

The Ladies' Competition is played on Sundays, with the exception of O35s who play on Friday evenings.

Glenhaven Football Club has not previously had all female teams, but is hoping to develop a strong presence in this competition over the next few years. We will do everything we can to find players, but we expect to only have a small number of teams this year. Please contact our ladies Football Coordinator at [ladies@glenhavenfc.com](mailto:ladies@glenhavenfc.com) with any questions or for more information.

The government's *Active Kids* program offers a registration rebate of \$100 per child, per year. There is detailed information about how to claim the rebate for the 2018 Winter football season on our website [www.glenhavenfc.com](http://www.glenhavenfc.com)

## 2019 JUNIOR GRADING INFORMATION

All Junior players are required to attend the grading sessions for their correct age group. Requests to 'trial' for an older group will be considered on an individual basis by applying to the Club in writing at [grading@glenhavenfc.com](mailto:grading@glenhavenfc.com) prior to your first session.

Please arrive 20 minutes before your session start time to sign in and get ready. Boots and shin pads must be worn by all participants.

Times and dates may change due to weather or other unforeseen circumstance. Please check our website [www.glenhavenfc.com](http://www.glenhavenfc.com) for any last-minute information.

ALL GRADING SESSIONS ARE AT GLENHAVEN OVAL

Age Group	1st Session	2nd Session
U6 & U7	8am Sunday 3rd February	8am Sunday 10th February
U8 & U9	9am Sunday 3rd February	9am Sunday 10th February
U10 & U11	10am Sunday 3rd February	10am Sunday 10th February
U12 & U13	6pm Sunday 3rd February	6pm Sunday 10th February
U14 & U15	7pm Wednesday 6th February	7pm Wednesday 11th February
U16 & U17	8pm Wednesday 6th February	8pm Wednesday 11th February
U18 & Youth League	7pm Sunday 3rd February	7pm Sunday 3rd February

**U6 & U7** sessions are about forming teams with friends and getting the kids excited about playing. Our Premier League squad will run some fun drills/games for the kids while parents get all the information they need for the season ahead. This age group does not need to attend both sessions.

In **U8 & U9** players are 'soft-graded' – that is, we do not apply the same criteria to individual players that we do in older age groups. However, we do start to put similarly-skilled players together to aid their development and so teams have a better playing experience. It is preferred that players in these ages attend both sessions.

From **U10 up**, players are graded individually based on their performance during grading and when required, the player evaluation sheet from the previous season. It is expected that players in these age groups attend both sessions.

Friends who wish to play together in a team must inform the Grading Coordinator prior to grading and all friends must agree. The Club will do what it can to fulfil such a request, however, the final decision is at the discretion of the grading committee, and the friends will accept that the Club may place them into whichever team and/or division it chooses, and will only do so if it does not unduly impact other teams.

We understand that genuine relationship difficulties sometimes arise between players and/or parents. If you would like us to take such circumstances into account, please write to the Club President at [president@glenhavenfc.com](mailto:president@glenhavenfc.com) before, or with in 24 hours following your grading session. Any such correspondence will remain confidential and the grading committee will be told only what is necessary for their deliberations. If we are unable to satisfy your request, the Club President will discuss the matter further with you.

If a player is feeling ill or has any injury that may affect their grading performance, this information must be communicated to the Grading Coordinator prior to, or at, the grading session.

If a player cannot attend any of the grading sessions, they need to inform the Grading Coordinator beforehand in writing to [grading@glenhavenfc.com](mailto:grading@glenhavenfc.com). Players that do not attend grading may be placed into teams at the grading committee's discretion.

Parents and players should not make assumptions about team formation at, or after, grading sessions. The grading committee will meet to make their final decisions in the week after the last grading session. Players and parents will be notified of their team placement via email as soon as practical after that meeting.

If you are not happy with an individual player grading result, or the team into which they are placed, appeals must be put in writing via email within 5 days of team notification to the Club President at [president@glenhavenfc.com](mailto:president@glenhavenfc.com) and will be assessed by the Grading Committee. Their decision is final.

Please note that although the Club recommends specific divisions when registering teams with the association, HFI, makes the final decision.

A detailed Grading Policy can be found on our website [www.glenhavenfc.com](http://www.glenhavenfc.com)
